

St. James Evangelical Lutheran Church

NIAGARA FALLS, NY

*We are called to proclaim the Gospel of Jesus
through Worship, Witness, and Ministry
to our members and community.*

WE ARE CALLED...

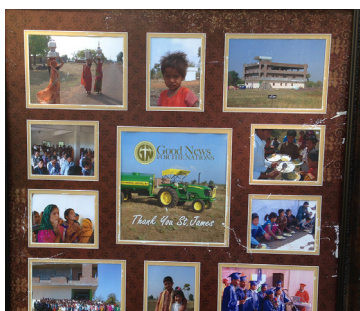

Our mission is to be fully devoted to Jesus by opening our arms to those seeking the Word of God. We believe that the door to salvation is always open and so are the doors to our church.

"The Gospel of Jesus" is the Good News that God came to earth in Jesus to die for each person's sins and by repenting & believing in Him, we can experience life eternal right now!

TO PROCLAIM THE GOSPEL OF JESUS ...

We show God's love and concern for our fellow man at every opportunity. Through works of charity and opening our doors to listen and love, we feel that we are led to walk in the footsteps of Jesus Christ.

NIAGARA FALLS, NY

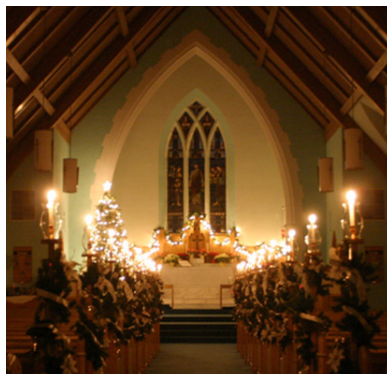

We have **Sunday morning worship at 8:15 and 10:45 a.m.**

...THROUGH WITNESS

...THROUGH MINISTRY
TO OUR MEMBERS
AND COMMUNITY

At St. James, we minister to our members by **providing ways for them to express their faith** through charity work, participation in music, Bible education and faith formation opportunities, and outreach to our community and world. We minister to our community by **providing for our neighbors** through financial support of families in need, involvement with local food pantries and food banks, providing space for community events and recreational activities, community worship nights and so much more.

St. James' 140-year history began when our founding fathers emigrated from Prussia in 1843. The present congregation was organized in 1875, and today's building opened in 1956. The congregation became part of the Lutheran Congregations in Mission for Christ (LCMC) in 2005. Today we remain strong in our commitment to many ministries and activities, including:

- baptism
- men's and women's groups
- secret sisters
- sports leagues
- community BBQ fundraiser
- family holiday festivities
- confirmation
- youth ministry
- local food pantry support
- movie nights
- international mission support
- and more!
